Have you thought about having a LITTLE KICKERS PARTY please request an information pack if you would like to know more about our parties

Please note your booking as stated in our T & C is for consecutive weeks only. If you are unable to make a class for whatever reason we are unable to offer you the facility to carry the session over. When a child is absent we obviously still incur the same overheads.

We offer the unique opportunity for you to send another child to replace your own child as often as you like when your child cannot attend. The only stipulation is that the child attending in place of your child can only attend the same day/time as your normal class and they must fit in with the age band of the class.

Any class changes will be posted on OUR class noticeboard on the website. To access this you need to go to the Sign Up page then select your venue and the noticeboard will then display messages relevant to that specific area.
